23rd September, 2021

Dear Sir,

I write to share that the National Commission for Women (NCW) has set up a dedicated round the clock (24x7) Helpline number (7827170170) for women in distress since 24th July, 2021. The website for the helpline is www.ncwwomenhelpline.in. The round-the-clock helpline provides online support to women affected by violence or mental stress through referral by linking them with appropriate authorities such as police, health services, District Legal Service Authority. We also provide counselling services and information about women related programs across the country through a single uniform number. The task force managing this project is a team of highly qualified personnel, who are providing emergency response to women in distress.

2. I request you to share the Helpline number 7827170170 and the URL on the department website and other related websites so that larger numbers of women could be made aware of the resource.
3. Your co-operation in this regard is solicited.

With Regards,

Yours sincerely,

(Meeta Rajivlochan)
