

KOLKATA INTERNATIONAL SCHOOL CUM CONFERENCE ON SYSTEMS BIOLOGY

KOLSYSBIO

29TH DECEMBER, 2012 – 3RD JANUARY, 2013

Updates at - <http://www.boseinst.ernet.in/kolsysbio>

Venue: Saha Institute of Nuclear Physics, Kolkata

KOLSYSBIO aims at bringing together eminent scientists working in Systems Biology, from around the world. The meeting would consist of two components:

School during 29th – 31st December, 2012 which would include daily hands-on tutorials and/or discussion sessions and is intended to introduce young students to state-of-the-art techniques by leading practitioners.

Conference during 1st – 3rd January, 2013 to focus on the cutting edge developments in diverse subfields of Systems Biology by distinguished scientists from around the globe.

Applications for poster presentations, contributed talks and participation are invited. Interested Ph.D. Students and young researchers may apply to kol.sysbio@saha.ac.in by 25th November, 2012.

CONFIRMED SPEAKERS AS OF 23RD NOVEMBER, 2012

Kausik Chakraborty, IGIB, New Delhi
Nagasuma Chandra, IISC Bangalore
Abhaya Dandekar, UC Davis
Kartiki Desai, NIBMG, Kolkata
Calin Guet, IST, Vienna
Aurnab Ghose, IISER Pune
Nick Jones, Imperial College, London
Tom Michoel, Roslin Institute, Edinburgh

Partho Sarothi Ray, IISER, Kolkata
James Shapiro, UChicago
Vahid Shahrezaei, Imperial College, London
Sudipta Maiti, Tata Institute, Mumbai
Shekhar Mande, NCCS, Pune
Srinivasan Ramachandran, IGIB, New Delhi
Prasanna Venkatraman, ACTREC, Mumbai

CONVENORS

P.K. Mohanty
Saha Institute of Nuclear Physics, Kolkata

Soumen Roy
Bose Institute, Kolkata

SPONSORS

Saha Institute of Nuclear Physics
Kolkata, INDIA
