

Bose Institute

ADVERTISEMENT FOR SHORT TERM TRAINING JUNE TO AUGUST, 2022

Advt. No. BI/ST/04/2022-23

Bose Institute will offer short term training for outstanding students in Life Sciences, Physical Sciences and Chemical Sciences from different Universities during the months of **June to August 2022** (for a period of **6-8 weeks**). The training will be conducted by faculty members of the Institute who would select students based on their own academic Interest and those of the students. Students are encouraged to interact with faculty members about available research programmes prior to filling up the form.

Students who are pursuing master degree (e.g. **MSc, MVSc, MTech, integrated master students in their 4th year** etc.) may apply. Exceptional students (**INSPIRE, JBNSTS, KVPY, NTSE** etc. awardees) at the Bachelor degree level may also apply. Minimum eligibility criteria for consideration of the requests are at least **75%** of aggregate scores (or an equivalent grade) in all major school level examinations (Secondary school examination and Higher secondary examination (10 +2)) and first division mark (**60%** in aggregate or equivalent grade) in Bachelors programme. Applications must include a recommendation/forwarding letter from the Head of the Department/Institution or Registrar/Dean of the University/Institute/College of the candidate in the prescribed format given below. Candidates should apply **online** using Bose Institute portal only and attach a scanned copy of the recommendation/forwarding letter. Original certificates, marksheets, recommendation letter and identity proof should be presented at the time of joining the training programme.

Maximum number of **twenty students** may be accepted for short term training.

Only **online** applications will be accepted. Applicants must mention their broad area of interest in the online form. **Outstation candidates should arrange for their own accommodation in Kolkata.**

Schedule of events and important dates:
