ADVERTISEMENT FOR SHORT TERM TRAINING APRIL TO SEPTEMBER 2024

Advt. No.: BI/ST/14/2023-24

Bose Institute will offer short term training for outstanding students in Physical, Chemical and Biological Sciences from various Institutes/Universities during the months of **April to September 2024** for a period of **6-12 weeks**. The training would be conducted by faculty members, selecting students based on their own academic interest and those of the students. **Students are encouraged to interact with faculty members about research programs prior to filling up the form.** Around **thirty students** may be accepted for short term training.

Eligibility:

Students who are pursuing master degree (**MSc, MTech, Integrated Masters** etc.) may apply. Exceptional students (**INSPIRE, JBNSTS, KVPY, NTSE** etc. awardees) at the Bachelor degree level in their final year may also apply. Minimum eligibility criteria for consideration of the requests are at least **75%** of aggregate scores (or an equivalent grade) in all major school level examinations (Secondary school examination and Higher secondary examination (10 +2)) and first division marks (**60%** in aggregate or equivalent grade) in Bachelors program.

Documents required:

Applications must include a recommendation/forwarding letter from the Head of the Department/Institution or Registrar/Dean of the University/Institute/College of the candidate in the prescribed format given below.

Candidates should apply **online** ([click here](#)) and attach a scanned copy of the recommendation/forwarding letter. Original certificates, mark sheets, recommendation letter and identity proof should be presented at the time of joining the training program. Outstation candidates should arrange for their own accommodation in Kolkata.

Schedule of events and important dates:

Deadline for application	March 15, 2024
Announcement of selected candidates	April 1-10, 2024
Summer training	April 15-September 15, 2024 (6-12 weeks)
